Can I just say....

Where she has gone we too hope to join her: the Assumption of Our Blessed Lady is, if nothing else, a reminder of God's love for and attention towards us throughout the entirety of our lives. The Assumption means that God, who planned the very first moment of Mary's life with such extraordinary care, also planned her very last moment just as carefully. At the first moment of her life, by a very special privilege of God, Mary was preserved free from the stain of sin. At the last moment, by another very special privilege she was preserved free from the corruption of the grave. At the end of her life, Mary was assumed body and soul into heaven. We may not enjoy the same privileges as her, but we do enjoy God's love and care from start to finish: privilege enough, surely.

In the Immaculate Conception the emphasis is on the soul. In the Assumption the emphasis is on the body. Both are important. They were made for each other. At death, there is only a temporary separation. Body and soul will be reunited in the Resurrection. The Assumption means that the body that participated in the battle of life will also participate in the victory. Today we're very aware of the importance and the vulnerability of the body. We diet and we exercise, or at least we remind ourselves that we should! We realize that the body is the vehicle of life. We live as long and as well as the body supports the soul. We know well that the body is the instrument of pleasure, pain and procreation. But there is an end to this: the last of the enemies, as Saint Paul describes it to the Corinthians today: death. But even that has been vanquished, we hear: the victory is Christ's, for whom there is all authority, as Saint John's Revelation will tell us.

The human body truly is one of God's great feats of Creation. But by Original Sin we have lost what the Church understands is the preternatural gift of integrity whereby the lower faculties were under complete control of the higher faculties. Sin is something that all the rest of us human beings have experience and knowledge of and yet it's something extra and outside human nature. There's a law in our body warring against the law of our mind. We don't have perfect control. The imperfect control we do have comes only after much discipline, something we need most and want least. Today we have an inordinate, superficial care of the body but what we celebrate today really should challenge that. The lesson of the Assumption is that the whole person, body and soul, participates in the battle of life and the whole person, body and soul, will participate in the victory.

Fr Joe

We pray for Jasmine and Charlotte Webster, also Shaunna and Shannay Hanlon who are being Baptised in our Parish this weekend.

Please keep them and their families in your prayers.

St Francis of Assisi Church

Updated guidance on the use of our church building in light of the changes from Monday, 19th July 2021

Due to the fact that the pandemic is far from over, the Bishops' Conference of England & Wales do not intend to restore an obligation to attend Sunday Mass at this point. However, they wish to remind us all of the importance of keeping Sunday holy and if possible attending Mass weekly.

After the legal changes to Covid regulations come in to force on Monday, July 19th July, the following is what will be required in the churches of the Archdiocese of Liverpool.

Face coverings will remain mandatory for all those coming to a church service. (Exemptions for medical reasons excluded.)

Social distancing will not be mandatory in our churches and the practice of sanitising the benches after use may be discontinued.

Hand sanitising will remain necessary as people arrive and the sanitiser will remain available for use on the way out. There will, however, be a section of the benches reserved for those who would feel safer and less vulnerable by maintaining social distancing in church. Benches reserved for this purpose will give a limited number of spaces for those who wish to continue social distancing. **If you do not require a socially-distanced place in a bench, you will no longer have to book your place at Mass as previously required. Only if you would like one of the spaces in a bench reserved for social distancing will you be asked to contact the office in the same way as everyone has been doing previously. If you would like to reserve a socially-distanced place or places, please contact the parish office, preferably by email, to let us know which Mass you would like to attend and how many in your household wish to come. For Masses Monday - Friday, please contact us at least 2 days before the Mass you wish to attend. For all Masses on Saturday and Sunday, please contact us by 6pm on Wednesday.** A socially-distanced place cannot be guaranteed for those who have not booked that place in the way outlined above.

Congregational singing will also be permitted from Monday, 19th July, and will be reintroduced at Mass in our church over time, but please remember the need to keep your face covering on at all times, except when speaking from a microphone or receiving Holy Communion. The reception of Holy Communion will be transferred to its usual place during Mass but stewards will continue to guide people out of their benches. Mass will then also finish in the more usual way.

We must be grateful to all the stewards for their hard work over a long period of time. Their work will now continue but in different ways as they help us to keep our church a safe place to visit and use. New volunteers to help steward will always be welcome and will greatly help our current team, so please think about offering your help in that way. We can, though, all help and play our part to keep our church safe, especially by continuing to keep our face coverings on.

Only book your place early if you require a socially-distanced place.

If you book and cannot attend, please let the office know A.S.A.P. so others can be accommodated.

These places will be limited and cannot be guaranteed for those who turn up without booking.

Email the parish office detailing which Mass you wish to attend and how many people will be present with you.

Wear a face covering in church at all times. If you do not require a socially-distanced place you no longer need to book but may simply arrive at church to attend Mass.

Following the latest guidance received recently from the government and the archbishop, **there will be no limit to the number of people able to attend a celebration of the Sacrament of Baptism after 19th July**. Parents who have completed the Baptism preparation course and need to rearrange a date for their child's baptism should contact the parish office to do that. Parents who have not completed a Baptism preparation course, after which a date for baptism may be arranged, should contact the parish office to do that.

10th Anniversary of the Syrian conflict – how your donations have helped the Syrian people

Thanks to your donations, CAFOD has been helping people in Syria since the crisis began 10 years ago. Over 12 million people have left their homes, 5.6 million are refugees in neighbouring countries and within Syria, 13 million people need help. At the beginning, our focus was on delivering food and blankets through our local church partners. Then we started providing education, health and legal services, and helping people earn a living. Our latest projects are supporting children, lonely elderly people, helping women learn to read, and helping people restart their small businesses. We've always planned for the long term, standing alongside people who lost everything. None of this work would have been possible without your support of CAFOD.

Thank you.
