DAY FOR LIFE
Today we will have the annual "Day For Life" collection at the end of Mass. This is always dedicated to raising awareness of the meaning and value of human life at every stage and in every condition. This year, the Day for Life seeks to highlight the trauma caused by abortion. The theme is "Listen to Her". The message, which can be accessed at **www.cbcew.org.uk/day-for-life** , is an invitation to listen to the voice and story of a young Catholic woman who was suffering after an abortion. With her consent, the message highlights the distress which she experienced and how she found healing. This is a timely reminder given the rising number of abortions in the United Kingdom, the introduction and impact of "tele-medicine" after the SARS-Cov-2 pandemic, and the stories of post-abortive trauma which have emerged in many places. The message is also inspired by the Holy Father's insistence on both the gravity of abortion and the fact that nothing is beyond the mercy of God. Many in our society are affected by abortion, and they should know that they can find a welcome in the heart of the Church and the promise of hope and healing in Jesus Christ.

THANKS
A warm word of thanks to everyone who helped to keep the church open for the entire period of "Quarant'ore" last Monday and Tuesday.
