## **EVERY LIFE MATTERS : JOIN THE FIGHTBACK**

Recently, those who care about protecting the vulnerable have been dealt some devastating blows, with MPs voting in June to legalize assisted suicide and decriminalize abortion, allowing for abortion up to birth. We should all care about these threats, and Pope Leo has already issued a call to action, saying, *No-one is exempted from striving to ensure respect for the dignity of every person, especially the most frail and vulnerable, from the unborn to the elderly*. We are living in very dark times, but SPUC invites us to join in the fightback, to make your voice heard and to stand up for the most vulnerable. If enough people stand up for the pro-life cause, politicians will have to heed our concern for those lives lost to abortion and assisted suicide. SPUC urgently needs us to help bring about real and lasting protection for unborn children and those at the end of life. If we do not fight back, we can only expect the culture of death to encroach even further on our society. As a first step, please fill in one of the postcards in the church porch, and SPUC will send you information about what you can do for the cause. Take some away for family and friends. The more people stand up in defence of life, the better.
